The best
part of the
maid's job
is fucking
the man of
the house!

maid to fuck

I came over to the States from Colombia, figuring it'd be easy to get a job as a live-in maid. Lucky for me, it didn't take long at all to find just the perfect couple. Margaret and Paul have a big house and plenty of money, and the pay is great. Oh, and did I mention that Paul works from home and that Margaret's gone most of the time? And that Paul is the cutest gringo I've ever seen? And that by the time I got here I hadn't been laid in about

two months?

I couldn't help it: I wanted cock. Pretty soon I was flashing Paul some titty while I cleaned. Then I started making sure that he got a good look at my panties when I bent over. And then one day, hell, I just stopped wearing panties altogether. That day, I first felt Paul's hands on my horny little ass.

"Oh, Maria," was all he said

Sure, I knew that what we were doing was wrong, but I was so horny I didn't even care.

as he came up behind me, his fingers caressing the swell of my cheeks. His hard cock was pressing up against my pussy through his thin slacks. I could tell that he felt bad. He didn't want to cheat on Margaret, but I could also

so horny I didn't even care. All I wanted was to feel Paul's big cock buried deep in my needy pussy. So even though he looked guilty as hell, I led him to my room and undressed him, feeling his hard, sexy muscles under

on his back.

His cock was hard and red and pointing straight up. Just thinking about stuffing that big sausage up my pussy was making me gush, but first I wanted

tell how much he wanted me. And my pussy, already gushing, wanted him, too.

I turned around to face him, and his fingers slid toward my naked pussy. I moaned when he spread my fat lips and touched my swollen little clit. I kissed him hard then, pressing against his hard shaft before fumbling with his zipper. His cock popped out, hard and willing. He groaned when I took the smooth-skinned shaft in my hands and rolled it between my fingers.

Sure, I knew that what we were doing was wrong, but I was

my fingers as I slid off his clothes.

Then I peeled off my skirt and shirt and got in bed. When Paul got a look at my full, round tits, along with my hairless little pussy, well, he stopped being so shy. In an instant he was all over my titties, sucking on them like he hadn't had a meal of titty-flesh in a long time.

He buried his face in my mounds, sucking and chewing on my big nipples till I moaned. Man, he was making me squirm the way he lapped at my tits. I let him suck away till I had to have more, and then I rolled him over

a little tongue action. I straddled his face and humped my hips forward. Paul didn't seem to be feeling too guilty anymore, judging by how his tongue went right to work, lapping hungrily at my swollen nub.

At the same time, I sucked on his straining shaft, taking him deep into my mouth while he flicked at my clit. He groaned when I opened up my throat, letting his fat head slip down even deeper. He was busy fucking my pussy with his fingers, so I started bobbing my head up and down on his fat pole until he was groaning under me. He was

pumping his cock into my mouth by then, and I could tell he was close to coming. But there was no way he was leaving my bed without plugging my horny little wet pussy.

aching pole.

Pretty soon, though, he'd managed to wedge his fat head into my tight box, and after that I couldn't help it. I sat down hard

Then it was his turn. Moaning, he sprayed his load deep inside me. I felt his cock twitch as he filled me up, but he held on tight to my hips, forcing himself deeper inside as he pumped his

I pulled away from his wagging tongue and turned around, letting my sopping wet pussy tickle the swollen head of his cock. He sounded so needy.

"Oh, Maria," he said again, and this time his voice was husky with need. He'd obviously forgotten all about Margaret and was more than ready to fuck me. That was sure fine by me, but first I let his fat head spread my wet lips just a little as I wiggled on top of him. I liked the way his cock felt, barely probing into my ready pussy, and I liked the way Paul groaned while I teased his

on his pole, groaning as he filled me up. His hands reached for my hips, pushing me hard down on his cock as he strained upward, forcing me deeper. I squirmed on his fat cock and ground myself into him, my swollen clitty rubbing on his belly.

Man, it felt so good to have Paul's thick shaft deep in my pussy. I bounced up and down, squealing every time he plunged his way deep into my hole. In no time at all I felt my pussy clench hard. Then I was coming, my back arching as Paul continued to spear me.

cream up into me. I rode him till he was finally finished, squirting the last of his jizz inside of me.

Yeah, I know it was wrong. Sometimes I even feel guilty. But then I think about Paul's big cock up my pussy, and I can't help it, I get all wet and horny for him and I have to seduce him again. And who's getting hurt, after all? Paul's getting off, I'm getting fucked, and Margaret has a clean house! This is my American dream.

GIRL NEXT DOOR

VICTORIA

My boyfriend was taking too long to get intimate with me so I said I'm one helluva cock-sucker, ball-licker, cum-slurper or any other -er you want to put after a hyphenated phrase. So take out your cock and get it ready for me and my pussy. We're about to set off on a course for Nirvana the two of us. That did it for him!

OKLAHOMA

I told my guy I'm hot, I'm sexy and I'm horny as hell right now. Why don't we take some pictures of us fucking? I'll start topless and then you can strip too. Then you can bring your limp dick back over to me and I'll make it rock hard playing with it. I'll help you put it in my pussy and let you fuck me until you spurt and then slurp up your jizz because you've asked me to. After all that, it's your turn to make me cum. Okay?

ALINA & ASHLEY

I love licking a woman's pussy, and when Alina came over to my house I just had to get at that sweet muff of hers. A friend of mine was there with her camera equipment and she agreed to let us do a hot shoot together. I couldn't wait for her to get naked so I could lick her nipples and probe that pussy. Here are some amazing pictures from that day. xoxoxo – Ashley

HOT SEX MAKES THE WORLD GO ROUND

I'm telling my man I did it just for him, until Peter showed up...

A Promise Kept

I'm writing this note to Bryan because I know he buys these magazines. I wanted to explain what happened so that he would understand and not stay mad at me.

Bryan, that night I was getting ready in the bathroom. I was standing in front of the mirror in the bathroom looking my pussy. Why was I looking at my pussy? Because you had told me that you would love to see it shaved and how nice that would be for you when you went down on me. Well. I decided to do it for you that morning and show you later.

I was just finishing my shower where I shaved it. It's kinda hard to see down there and with the water running and all. I thought I had shaved good and just wanted to see how it looked. I was still completely naked and just standing there. Now I see everything down there without my pussy hair getting in the way. I liked it. It was as sexy as you said it would be and I knew I would get used to it that way. Now my pussy lips and clit were really obvious along with my long slit. My pussy is up pretty high, with a lot of it in the front, not all hidden between my legs.

With the hair all shaved, I just wasn't sure what I

thought about it. I was concerned it might make me look like weird. You said that was okay and I thought it was a little odd, but I think I now understand. If you remember, Angie and her boyfriend were staying with us. They were only there a while and I spent time with her doing her hair, nails and we went shopping a few times. He mostly hung around the house eating our food and watching basketball on the tube. We had gotten to be pretty good friends and Peter was always a perfect gentleman around the place. And, if you remember, he knew you were my man so he and I were just friends. As a matter of fact, you even said what a nice guy he was and how my girlfriend lucked out to have him.

You said that guys falls under the spell of a naked woman too easily and that pussy of mine has more power than I can imagine. It will turn any guy into a sniveling idiot just to have it. You were very convincing and it got me to thinking. You said once I experienced that power I would never be the same. And that got me very curious and the more that I thought about it, the more convinced I made myself that I could do it.

So I'm standing in front of the mirror. I was so nice

and fresh and clean and all naked. I had left the door partially open so the steam would go out and I could see myself in the mirror better. That's when Peter was going to use the bathroom. He probably thought I had finished in there and I gone back to my room so he just walked right in. We were both surprised. His eyes widened a lot and his jaw dropped to the floor. He just stood there staring at me and like that really amused me. We women see ourselves naked every single day so we really don't get what the big deal is to see us. Seeing his stunned reaction, I wasn't at all embarrassed like I thought I should have been. I was feeling extremely flattered. He stammered an apology and was slowly backing out still staring at my naked body.

This sudden introduction of himself into my private space got me all of a sudden very excited. I remembered what you said about you wanting me to let him see me naked and plus it was his last day with us and here he was and here I was already naked and well it all just seemed to be so perfect to do it... I think you get my thought process. So I said, "No worries Peter. No big deal and hey, since you've seen me naked now anyway, do me a favor and tell me what you think of my shaved pussy? I just did it and I'm not sure if I like how it looks. Does it look odd, girl or what? I just need to know."

I was in front of him with my feet a bit apart to give him a perfect view. He stood there in front of me and took a real long look and said: "Are you kidding me? No way! It looks really nice. It's beautiful like this. You're beautiful like this. I don't know how it looks with your legs apart, but standing there you look perfect!"

But this is where I must make a confession. And I can't even believe I did this. I was so naughty because I just hopped up on the counter by the sink, sat near the edge with my knees bent and my legs open, and asked him what he thought. *Time out:* I know that was a bit shocking to hear all this. Remember you have told me many times you want me to give

you all the details no matter what happened and for me to tell you the whole truth and just how I was feeling about it all. So I am going to take you at your word and do that. But be warned, there are some very sexy details coming up. So Bryan, stop reading if you don't want to know them.

Time in: Now I'm sitting totally naked on the bathroom counter next to the sink and I have my beautifully toned legs spread apart and my knees were pulled up and I have just asked this handsome man to take a close look at my exposed pussy and for him to tell me what he thinks of it – shaved. Well, he surprised me and quickly got down on his knees directly in front of me. He reached up and grabbed me by my bare hips and moved up close to my pussy pulling me towards him at the same time. He dove his face straight into me and began by first inhaling deeply with his nose on my pussy. At that moment this man had me feeling like I was sitting at the very top of the world's highest, craziest, most giant roller coaster

and I was just about to take the wildest ride down of my entire life. He began to use his tongue expertly on my clit and my wonderful little labia, going all the way down my slit and all the way back up to my clitty – over and over and over again! He sucked on me and flicked my clit with his tongue back and forth, and rolled his tongue in circles around it and I was going crazy.

He would slide his tongue along my outer lips, down one side and up the other and then reverse it and down the other side and back up the other. First

one delicate lip and then the other, both sides, every inch of both lips.

As he was doing the circles with his tongue on me, he gently slipped two fingers into my hot, wet, little pussy and curled them way up into me. This man hit my g-spot like he had been there a million times before. I couldn't believe I could feel so many incredibly mind blowing feelings all at once.

Bryan, believe it or not, I was thinking of you. You are the only guy who has ever done all of this to me like this before. I was sure you had told him what I liked and exactly how to do it or something. Then I thought of how turned on you were going to get when I told you this later so I got my head back into the moment so I wouldn't forget a bit of it and I just let it keep happening. I was leaning back against the mirror and holding on to his head, pulling it and gasping so hard for breath as I was also moaning and panting and bucking and finally cumming over and over and over again. The waves just rippled through my pussy and my entire lower tummy and he even made my butt cheeks spasm. And it all happened so fast. You would cum too just hearing what was happening.

He stopped as quickly as he had started and he stood up and then I stood up. He leaned over, wrapped his arms around me and he sucked each of my nipples for about a minute as I was trying to cool down. He spins his tongue like something I've never felt before. That felt amazing too, but a girl can only take so much and I was sweaty, hot, exhausted, and

most of all very dizzy. I felt like my legs were going to give way. I had to gently pushed him away from my breasts so I could turn around and lean over on the sink counter to hold myself up and continue to catch my breath. He knelt down behind me and buried his face in my bare bottom licking my little butt, rubbing his face all over it, squeezing it with both hands. Even that felt wonderful. There was no end to what this guy could do. I know that I could have cum again but I finally got my breath back and I turned around facing him again and I said between panting breaths: "I think I can take it that means you do like it bald then, right?"

I was wondering if he even remembered my original question and why he was in here? You darn guys sometimes just don't pay attention when we women ask you something and you can so easily get sidetracked. I turned him around by his shoulders and gently pushed him out the door. Hey, he never even took his clothes off and most importantly, I didn't let him screw me or anything. Cause you know I am only ever going to be doing that with you. I hope you aren't too mad.

You did tell me to let him see me naked and to give him a little treat before he left that he would never forget – right? Well, I think I sure did give him all that. See what you've made me do! Here I am all worked up just writing this to you. I know I was really the one who was naughty and I'm pretty sure I should receive a good bare bottom spanking for my outlandish behavior. I can't wait to get alone with you, both of us all naked and hear you read it to me as I act it out for you. Or, better yet I think I will read it to you and you can play his part. You're the only man who can do it even better. Then you can spank me if you still want to if you still think that I'm naughty. Or you can fuck me because I want you to. Or you can do both, if you want to!

Bryan, I really think you're going to like my shaved pussy. It's smooth and soft and waiting for you, so don't be mad – and don't be late.

These two amazing hotties are used to being stared at. They have starred in many porn movies and they've licked a hundred pussies, all while the crew stood around, watching and playing with themselves. They are used to being the center of sexual attention, and they like it. How many times have they gone to the pool, stripped naked, and ate pussy right there?
